

AMERICAN RED CROSS

A note about the presents - while I still remember what they are!

In the first place - they are all local ~~made~~ native hand made articles. - Natives of ~~Moro~~ "Morroc"! I tried to get something useful as long as I was getting, but that remains to be seen!

Everything, practically, is leather - and washable. - It may have a peculiar "odor" - but you will know how to get rid of that! - The native tanning methods need a lot of perfection. The list:

2 Hossack covers

2 sofa pillow covers.

of these - Fred + Marion, Brother + Melba, and you ^(Ma + Pa) are to have one - ~~not~~ distributed however you see fit. - They will all have to be stuffed! These are family gifts! - Would like the 4th one to go to Henry + Phyll for I've owed them something for a long time - whichever would go nicely in their ~~off~~ apartment!

6 pocket-books! -

1 for Sister, Melba, Marion, Lillie, Carol (which you will remain, I hope) - and either Sister

"To furnish volunteer aid to the sick and wounded of armies" and "To act in matters of voluntary relief and in accord with the military and naval authorities as a medium of communication between the people of the United States of America and their Army and Navy" The Charter of The American National Red Cross. By Act of Congress, January 5, 1905.

can have the last, making one of each kind - or give it to someone if I've forgotten anyone. - Would

Form 569A

say- one for Ma- but I know she couldn't
get all her junk in one of them! "Judie"
suggests the larger- more phable ones as the best!

- 1 pr. Arabic dress shoes -

thought Janet could use these as house
slippers or something!

2 scarfs: - one ~~for~~ or both for Ma or Sister
They are really "veils" but looked like they
would make nice lady's scarfs!

3- centerpieces:

These are all, of course, hand-made.
Don't know what you will do with them, Ma,
but that's your worry - not mine. - Give
them around if you want to. -

That's all folks -

Oh. - I forgot. - think the scarfs etc
were placed in the packet books for
shipping purposes - so don't lose them!
